ABIRINDA BASU said that during a recent conversation PANCHANON CHAKRABARTI pointed out that NIRANJAN SINGH GILL (incompletely identified), SHAH MAWAZ KHAN, MOHAN SINGH (incompletely identified) and ABDUR RASHID (incompletely identified) of the I.N.A. had gone over to the Akali Dal, Congress, C.P. and Muslim League respectively instead of joining the Forward Bloc, NTAJ's own party, and wished to know the Bloc's relationship with the I.N.A. ABIRINDA explained to him that the I.N.A. should be kept above party politics and if it was absorbed in the Bloc, it would rapidly disintegrate because all the non-political elements and those having sympathy with other political parties would break away from it. He asked PANCHANON CHAKRABARTI to see that more Forward Bloc workers joined the All-India Azad Hind Volunteers Corps and the proposed Officers' Training School.

S. 15-8-46.-

According to S. Ramachandran, 68 Pitt Street, Penang, Swamy's 'admirable' friends Raghavan-Menon Co. showed their true colours when the FMA confronted them. Ramachandran wanted Swamy to try to get from Raghavan, if and when he meets him, what exactly Raghavan gave in his statement to the FSS people? He claimed to have more authentic information which would give Swamy the shock of his life.

S. Ramachandran feels proud to say that according to the admission of the FSS people themselves, the most dignified of all statements which maintained the dignity and prestige of the country, came from two persons in Penang - N.K. Bannerjee and S. Ramachandran.

After his release from jail, N.K. Bannerjee who did not provide himself like others, stayed in a local temple for a few days, and then for about 5 months enjoyed the charity of a poor family in Bishop Street. The Panditji's Relief Committee of which the "Ex-Excellency the Finance Minister of the Azad Hind Government" was the chief, was of no help to Bannerjee. So Ramachandran had to beg of a few friends and secured an air passage for him to India. Dr. Menon too maintained an unhelpful attitude.

N.K. Bannerjee left for India on 5-7-46 and is now at No. 1 Lovelock place, Ballygunge, Calcutta. He may visit Madras too. Ramachandran has urged Swamy that Bannerjee should be provided with opportunities to serve in the manner in which he could do best and that his talents and ability should not be lost to the cause. However, he thinks that opportunities are now the monopoly of those that live under the sunshine of Lakshmi and as such mere merit alone does not count in these days.

According to Ramachandran, Col. Sangha 'of the camp' played a treacherous game. There was reason to believe that he had been contacting his masters for a long time, and as such, he had no difficulty when they came.

20/7/46.

My dearest Mums,

I arrived here on the 17th; after a not too uncomfortable Journey. I didn't wire to Ralph to meet me, so didn't find him at 31 Theatre Road. I tried another place where he had gone for a couple of days on the same road, and was directed from there to Stephens Court where I found his room and bearer. Phyllis was in Hospital and Jackie out! But Frank Anthony and some A.I.s from Karagpur came there and we had a full house! Now we have shifted into a part of a house which was used as one of the Fire Brigade H.Q.s. It is quite comfortable, but curtains etc. have to be put up.

.....I haven't been about much and haven't visited any I.N.A. people. In a few days we shall visit one or two big Industrialists and see whether I can get a job. Hope you received my letter from Madras. In fact I wrote to say that Doreen had applied for a post in the Madras Medical Service and that I had been to see the Prime Minister and others.....

Love to all,
Your loving son,

GD/- CYRIL.

20/8/46.

My dearest Mums,

At last I can write again after the postal strike.....

We have settled down in 9/4 Middleton Row, with curtains, pictures etc. This place is roomy enough, with a compound. The O.C. of a Fire Station with his family, DORAN by name, lives on the top, but there is little or no disturbance. The locality is very select with Lorette Church and Convent twenty yards away.

.....Since I gave an interview to the A.P.I. man, I've had several people coming to me to accept receptions and

and to speak at public meetings. I've spoken at one small meeting so far, (indoors) to a small gathering. I have met several I.N.A. people here and the Bose family. There is to be a big I.N.A. Conference in Oct. here. I am glad of it as then we'll be able to clarify our position. I'll probably announce my intention to give up active politics and to settle down to a job. I feel I shall be most useful to all, including myself, if I settle down again at earning my living. I can be a good Indian all the same and do my best to bring about Hindu-Muslim unity.

Regarding a job, Mr. Noli Rajan Sarker and Sir Abdul Halim Ghaznavi have both promised to try to secure me suitable employment. I told them that I expected a minimum salary of Rs: 300/- p.m. They didn't seem to think that asking too much. There was another job in Rodda & Co. Gemsmiths. But I was told it had been given to someone else. I am seeing their Director this evening.

I am going to see Pat in Shillong tomorrow. I shall be there at least two weeks. I have not heard from Pat though since I left Bangalore. Received his letter to you, saying he was anxiously waiting to see me. Please send me Rs: 300/- Mums, c/o Pat, Acting Conservator, Shillong. I hope you bought the Cash Certificates for Rs: 2,000/-. Let me know the total amount of my money left with you after you send me the Rs: 300/-. This place is most expensive.

.....Let us pray for peaceful political settlement in India. But the clouds are dark and there is very little silver lining visible!

Please give Margo, Win, Chaffler, Nan, Auntie Flo and the
Lines my love.

Love from me,
Your loving son,

ED/- CYRIL.

Dt 15.8.1946.

My dear Colonel,

I wish I could pay you my due respects while I was at Calcutta, but as I could not find out your address that was not possible. I however, write this letter on a good public ground and hope you will get it.

The INA. Conference is due at Calcutta on 20th October, '46 and how I wish we could join and declare our obligations and allegiance to it. But could I not expect that some District Representatives should receive complementary cards in recognition of their distinguished services to the "Bengal Volunteers". At least their Services should be recognised. Is it not?

I have got at least two letters from our "Netaji" which would conclusively prove how dearly he loved the organisation. You know we had to discuss the prospects of the formation of the INA with him even then.

I tried to get Congress nomination for the Bengal Assembly. An Assamite was, however, nominated for 'Dacca West'.

I wish also I could get into BPCC, and do some useful services. Is that possible by co-option?

I had an attack of Typhoid while at Calcutta, and is now at Pabna, under treatment of a distinguished Kabiraj. He takes a very serious view of my physical conditions and according to him a slight neglect or carelessness would turn "danger to life".

Trust this will find you hale and hearty.

With best love, respects and wishes for your health.

Yours sincerely.

CONTENTS.

My dear Uncle,

At last I am writing to you! I hope this finds you progressing, and that the other members of your family are well.

From Bangalore I went to Vellore to see Eric, my youngest brother. We went on to Madras together on the 10th July, saw Gen. Alagappan and his family, but we didn't stay with him as he was having servant trouble. We stayed at the Victoria Hotel which is just in front of Egmore Station and very central. In Madras I was able to see my Aunt and cousins. They were very happy to see me again.

I arrived in Calcutta on July 17th. My sister-in-law had had a girl baby on the 12th, so I found things with my brother, in rather an unsettled state as he had just then shifted into a flat temporarily, and had to move again into his present house at 9/4 Middleton Row. I helped my brother to shift and do odd jobs for him - so I was of some use!

I left Cal on August 10th and came up here. Was lucky to find my brother and sister-in-law in the station. There was no communication with them prior to my coming here, owing to the Postal Strike. Shillong is a delightful place, where one can motor about almost anywhere. We have all the facilities here, which one can expect. I hope to do some foresting in the hills.

Isn't the recent Calcutta trouble a terrible business? I feel that the I.N.A.'s first task will, in the future, have to be the spreading of Hindu-Muslim unity. We must do all we can to create a feeling of love and trust between all communities. This, I feel, is immensely necessary for progress and prosperity in India.

Well, Uncle, regarding my getting a job in Calcutta. I interviewed two big business magnates, Mr. Nolini

Ranjan Sarkar and Sir Abdul Hakim Chaznavi. Both have promised to try and secure me suitable employment. I am not so very keen on working in Calcutta, particularly, but beggars are not choosers, so I'll take a post there in Calcutta if the salary is good enough.

I have written to Gen. Alagappan. I saw Gen. Chatterjee in Calcutta and gave him news of both the Uncles. Kashiraj has written. He too is still out of employment. Andrews was in Calcutta. He is looking out to establish a business of getting up spices etc. from Travancore for wholesale merchants. He saw his late partner Bose, who wasn't very keen on discussing his repaying Andrews the money - nearly Rs. 10,000/- he owes him.

Shall close now Uncle, praying for your complete recovery.

Jai Hind,

Yours,

He first came in contact with Subhas Chandra Basu in May 1942 at the instance of Tara Chand Ray and joined the Free India Corps (organised by Bose) in the planning Committee.

In the beginning of October 1942, he went to Prague with S.C. Bose and others where he had a chance to look around the armament factory. In October 1942 he attended as honorary member, inauguration ceremony of the German-Indian Association, organised by Dr. Farughi. Before S.C. Bose's departure from Berlin, he was appointed as Consultive Engineer to the Skoda works in Czechoslovakia. During this period he made a lot of Czech friends and continued to stay at Prague till the allied occupation.

1.8.46.

Dear Mukharji,

Before proceeding with my letter let me tell you that I have not received any letter from you. However I received some few days ago a letter from my brother and since I had your name I began to write.

How are you getting on and how is life there? I will be coming over there to resume my studies and I shall be meeting very soon all of you. My 2nd terminal examination ended on the 24th of last month and from the beginning of last month I was engrossed in my studies.

The "Puasa" holidays are about to begin and there will be a months' holidays.

I will be taking up the senior by the end of this year. Before the war I was studying in the 5th standard, and you can imagine how hard is it to appear for the senior.

And if I pass the exam. I will be coming over to India. I want to be a businessman, and so I want to take up commercial studies.

How is the Indian situation today? You may think why I staying in Malaya need ask this question.

Well, let me tell you that I am a nationalist. I am going to come to India and see what I can do for India. I hope you will enlighten me on this subject.

By the way, in the letter which I received from my brother he told me to send you a photo of myself. I am very sorry I have none at present but when I reply next time I will certainly enclose one.

I sent a horrid photo of myself to my brother but I will send you a better one.

Well I have nothing more to work.

Waiting for a reply.

Yours sincerely,

Sd/- K. Jayaratna.

P.S. "Puasa" holidays means "fasting holidays".

I am really very glad to learn that you have reached India safely with sound health. You will be glad to know that I have been made incharge of Bihar I.N.A. But we don't know how long this work will run. Although there is Congress ministry in this province, very few I.N.A. persons have been taken in Govt. Services. Ministers have promised in this connection, but not yet materialized. I want to settle in life. I, therefore request you to help me with suitable

Subject:- I.N.A. PROPAGANDA.

Please let this office know if you have any information regarding the enclosed description.

2. The incident is of recent occurrence and took place in an Indian Unit.

"I.N.A. propaganda appears to be maintaining its tempo. Though I.O.Rs have not been accosted, the two Indian Officers of the Unit have been approached at different times (in both cases by apparently the same Bengali individual) to contribute to an alleged I.N.A. Hospital. It is felt that this appeal is being used to cloak further attempts to suborn troops.

The propagandist is a well-built man, under medium height, wears horn-rimmed spectacles, brushes his hair flat back, is dressed in European fashion in coloured shirt and trousers with a flashy tie loosely knotted, and gives his name as Mr. S. Roy Choudhury. He states he is the brother of 'Maj-General' Choudhury of the I.N.A. and that he is an ex- 'Berlin Boy'.

we all, in fact, have been other than
from a common goal - India be made
free and we have been tried and worked
together so that we do not have any
misunderstanding to start
with. We are brothers, as such I am
young and you are old. But in the eyes
as you are old. At the same time
we are all working upon our way to
achieve liberation from fatherland.
In this capacity we cannot come first and
last. But together we go on and on alone.

behaves as a coward, the other should be
the first to condemn.

ARABINDA BASU (ESP), who was on a visit to Lahore in connection with a students' conference, arrived at Delhi on 26.9.46 and put up in the first instance at the Agra Hotel, and later at 2, Windsor Place, New Delhi. At a private **meeting of Forward Bloc leaders and workers held on 26.9.46 at the Agra Hotel, MUKUNDALAL SARKAR said that the indications were that the Interim Government would not take any steps to get I.N.A. personnel employed in Government services. He added that reports had already reached him about the sufferings and economic distress of I.N.A. soldiers, some amongst whom, had been committed suicide under the pressure of poverty and want, and stressed that if he failed to provide them with appointments under the Interim Government and the volunteer organisation, he would sever his connection with the Congress and its volunteer organisation. I have written letters to some of my colleagues viz., Lt. Col. C. R. Chatterjee, Lt. Col. Banerjee etc., but I could not get any replies from them presumably because they are not there.

I now completely rely on you and I shall be hoping with confidence that you will do the needful in looking for me a place to live, preferably near to the school. As the date of the opening of the course is approaching near, I trust you will kindly take an early action. I shall be anxiously expecting for your reply.

terrible carnage from the 'Indian Express' and I wish to know the details from one who was there at the time. Hope you will do me that

favour. Here the American Constitution has not

yet come into practice, moreover a ^{to} new law has passed recently which curtails individual freedom to a great extent. I hope that an important proclamation will be issued in connection with the Thirunal festival (at the birth day celebration of His Highness).

Let us wait and see. Our neighbour Cochin is advancing towards her long cherished goal of Self-Government in a rapid pace. We read in "Malayala Rajyam" that the present Dewan of Cochin will be the last Dewan. What good news! But I don't think Sir Muza Ismail or Sir C.P. would ever advocate such enviable reforms.

Here all ~~are~~ ^{are} doing well. Krishnan Kirthy and Chittappan came here yesterday. They are trying to have a home of their own in our neighbourhood and stay here permanently. Unni Chattan secured a job in the information Department here.

Our practice teaching is going on. I have finished almost threefourth of my quota of lessons. Nothing more to pen at present. So,

Action taken. Passed. Copy kept and given below.

My dear Mrs. Nehru,

In answer to my telegram sent to you last Saturday the
13th instant, I have today received the following from you:-

"YOUR WIRE STOP GRATEFUL STOP MOTOR MECHANICS FITTERS
COULD BE CHOWKIDARS CAN BE SENT SHARP STOP WIRE NO
AND TERMS".

and many thanks for the same. It appears that there are
couple of errors due to faulty transmission and so if some words
have been left out in the message after the words "could be".

Messrs. Allen Berry and Co. Ltd. have bought a large
stock of vehicles including jeeps, trucks etc. from the U.S. Army
authorities. The Depot is situated in a place called Moran,
right up in Assam on the Bengal Assam Railway, not very far from
Tinsukia. The men we require will have to go there and work.

Wages:- We have already engaged a few Chowkidars here
locally and we are paying them between Rs. 45/- and Rs. 50/- per
month. The mechanics, fitters and drivers will be paid between
Rs. 50/- and Rs. 75/- per month, ~~The mechanics, fitters and~~
~~drivers will be paid~~ depending on each person's qualifications
and training. The boarding and lodging arrangements will be made
by the firm and the expenses for these will be on us. The
Chowkidar's jobs may be temporary for a period of about six
months but we feel that most of the Mechanics and Fitters that
we might engage now will be absorbed and given permanent jobs.
In course, the above salaries are not final in any way and if
you have already good people who deserve a better start, we
shall do our best to accommodate them.

For the present, you may keep these people in readiness
at your end and we shall let you know telegraphically as to when
they should be sent down to Calcutta. To begin with, 25
Chowkidars and 20 to 30 Mechanics and Fitters should be arranged
for. Our Chief Engineer has already left Calcutta and is
visiting the Depot at Moran and as soon as he has sent in his
first inspection report, we shall know exactly how many hands
are required for the different jobs.

There is a likelihood of my visiting Delhi in the very
near future and further details can be discussed when I see you
personally.

With kind regards,

Yours sincerely,

They say in the letter that they cannot help the
I.N.A. (Tokyo) Cadets either in study or in financial help
and they have forfeited the Aeronautical Engineering arrangement
for us unless we make our own arrangement and spend our money.
After this long period of 9 months they broke their promise.
^{we} Now don't know what to do. What about you. Did you get a letter
like this. If so what are you going to do.

As you are in Calcutta & you have support from the
majority of our Cadets there. You can very well fight for us.
Don't keep quiet. Approach Sarat Babu write ^{like} letters to Delhi
and to our Senior officers ^{like} Gen. Chatterjee, M.Z. Gani,
S.A. Iyer and so on. If you take it easy I am sure our future
will be entirely spoiled unless you are a rich man's son & you
can continue your study with your own finance. We boys here
also decided to write about this to all of our officers.

By the way what made you ^{for} Narayanam to resign
from the apprenticeship in B. Airways? What kind of work you
were all given there. Was it hard & did you get any pay.
Nadarajan & myself are in an opinion to go to Calcutta and join
in Barot Airways as apprenticeship. As we have studied & ex-
perienced in aero-Engineering for about one year (i.e. stripping &
assembling). ^{will it be possible for us to join in that airways.} Please write soon. We are ready to start Calcutta.
As I ^{am} wasting the time idly & I got a ^{for} like this.

Dear Sir,

I am sending you 100 copies of the "First Proclamation of the Provisional Govt. of Azad Hind" (in Bengali) for distribution in your areas in exchange of a donation of -/4/8. The cost is -/4/- and three pias is our postal expense. The Proclamation is printed on art paper and there is a photo of Netaji reading the Proclamation. Major General A.C. Chatterji and Major General M.Z. Kiani are also seen in the photo standing by him. I hope that the Proclamation will be appreciated by the people. As we want that this Proclamation should reach each and every house in Bengal, we have not made it costly at all in comparison with its production. In the matter of distributing them all over Bengal, we seek your kind co-operation. May I hope to get your sincere co-operation to distribute these and collect the amount? I shall be much obliged if you please remit Rs. 25/- and 1/9/- being its cost as soon as you will be able to collect the same.

The physical task of checking deck passengers proved too much and for this reason we gave it up in March. On some ships we got from 1500 to 2000 deck passengers. They are all from Malaya or Burma and do not require passports to come to India, being Indians.

Deck passengers of other nationalities (mainly Chinese) are checked.

I beg to report that on enquiry and in course of talk with Hridkamal Raym uncle of Phanindra Nath Ray it is learnt that Phanindra Nath Ray came home from Patna on 16th or 17th Shravan (1.8.46 or 2.8.46) and was at home till 8.8.46. On 8.8.46 night he left home by boat, reached Brahmanbaria on 9.8.46 and left for Calcutta the same day night by 9 u/ Surma Mail. None here knows his Calcutta address. He also wrote no letter from Calcutta as yet. During his stay at Salgaon, Brahmanbaria nothing adverse came to notice. He mainly kept himself engaged in making arrangement for his landed property. At present he has got none except a servant in his home. He looks after his (Phanindra's) landed property. Babu Nihar Ranjan Ray a cousin of Phanindra Nath Ray and an employee in the Comilla Union Bank, Calcutta, may know his Calcutta address.

To trace the Calcutta address of Ex SNA Phamindra Nath Ray		
Enquiries were made from Nihar Ranjan Ray of Gurditta Union Bank, Calcutta and it transpired that Phamindra Nath Ray came to Calcutta about 6 months back and stayed some where in restaurant for 3/4 days only. Then he left Calcutta. It is further learnt that he might stay with his elder brother Rabi Ray, representative Indian Health Research Institute, Bankipore, Patna, at present.		<p>12</p> <p>Personal with ref. to your order below.</p> <p>11/11.</p> <p>As this number is not known he is not given the premises number.</p> <p>14/11</p> <p>14/11</p> <p>14/11</p>

the Police report, as it was presented to the public, seemed obviously to have ~~been~~ been prepared by Hindus. Many things which happened did not find their way into the report and many things which did not, come out of the fertile brain of compilers. In the later category, among other things, which appeared to be "news" to the public one fact did not fail to create laughter in the readers. The Police report wanted to impress that one day, during the protracted riots, Hindu houses in the area near about the Halliday (now Mohammed Ali) Park were soaked with kerosine oil by the Mohamedans with a view to set fire to them later on. Horrible intention indeed! But how were they saved? Surely not by the all vigilant Police. Providence came to the rescue of the Hindus. It rained so torrentially that evening that the whole area was flooded and thus the criminal intention of the Muslims was frustrated and the Hindus were saved.

The report of 1926 must be preserved with the Police and may be seen even to day. Could absurdity go further. Just imagine how many maunds of kerosine oil was required to soak a whole area with, and how foolish the Muslims were not to use a match

CRIMINAL INVESTIGATION DEPARTMENT,

26309 Delhi, dated the 8th November, 1946.

No. CWS-10.

Copy of a letter dated 2.11.1946 from H.K. Raza Kumar, 38/2, Elgin Road, Elgin Road Post Office, Calcutta, to the Asiatic Conference Office, 19, Windsor Place, New Delhi (Intercepted at New Delhi Post Office on 7.11.46 by S.I. Ganga Pershad). Postmark Illegible. Original passed.

Allow me to introduce myself. I am one of the cadets selected by Netaji for martial studies in Japan. If you will recollect I am the nephew of the late Dr. Padmanathan Pillai of the veterinary Department, Hyderabad Deccan. I write this letter to you to convey my interest in the Asiatic conference.

*Is writer known?
His correspondence
should be
intercepted.*

After the termination of war on August 15th, 1945, we the foreign students in Japan who were sent by their respective government for studies organized and called it the International Independence Youth League. In this League we had Indians, Philippines, Malaya, Japanese, Annamese, Thai, Burmese, Chinese and Japanese students. Our object in forming this League was to carry to our respective countries the message from these Asiatic countries. We had to hold our meetings in secrecy at the Philippine Embassy Tokyo. We even promoted to come to our respective countries and organise a Pan Asiatic Conference. We had a Chairman, Secretary, and a Committee. We had great ideas and plans. If you would like to know about this organization and the active part I and one other Comrade played you may consult Mr. S. A. Ayer, Ex-Minister of Propaganda, Azad Hind now the Director of Information, Bombay. Could you advise me of how to make this League a success? Is there any way possible of inviting these people to our country? I am eagerly awaiting for a reply.

Thanking you in anticipation.

1. Barn Sub-division is connected with the Headquarters by the E.I.Ry and Pucca road but in spite of persistent request no force has been given as yet as yet while the murderers and plunderers are roaming at large. One village after another is attacked, burnt and the Muslim population is massacred. Almost in each case, timely information being given to the authorities but they jeer at the Muslims. This pillage of plunder and murder is proceeding unabated systematically by organized mobs armed with different kinds of weapons at times led by licensed gun holders or a full throated Congresswallah. The general far cry is, "Mahatma Gandhi ki jai" "Bajrang Bali ki jai"; "Bharat Mata ki jai."

2. 80 per cent of the Muslim population of three Thanas namely, Futwah, Bantiarpur and Barn has been completely exterminated. Muslim population of 60 villages in this subdivision alone has been annihilated, some of which completely to a man while some of these villages have been completely burnt to ashes. Dear Chatterji Sahab,
Jai Hind.

It is long since that I wanted to write
to you. ~~But~~ ^{My} health did not permit me
all the while.

To begin with, I feel it my duty to
introduce myself to you before I proceed towards
the body of this letter, that I am the same
M. K. Rao who had the opportunity of working
under you from Nov. '42 upto the time of
Surrender at Singapore, in 4th Indian General
Hospital, as a Store-keeper, and later in the
Enlightenment & Culture Department, in the
Directorate of Military Bureau, I. I. S., office.
Of course, I was a surplus volunteer. On
absorption, I was transferred to Military Secretary
Branch, Rear A. S. No I Supreme Command. P.T.O.
